

51. The method of claim 33, wherein the removal step is performed by cutting the plates along a direction at an oblique angle relative to the plates.

52. The method of claim 33; and further comprising the step of making another custom-made liquid crystal display from another finished liquid crystal display; and the step of combining the custom-made displays to form a composite display. --

REMARKS

The new set of claims 33-52 relate to a single invention as set forth in original claims 1-18. Applicant reserves the right to file divisional applications for the inventions set forth in original claims 19-32.

Wherefore, a favorable action is earnestly solicited.

Respectfully submitted,

KIRSCHSTEIN, OTTINGER, ISRAEL & SCHIFFMILLER, P.C.
